Dear Mr Mayor,

My name is Daniel Zadworny, Mayor of Dywity Municipality. Dywity Municipality is a village in north-eastern Poland, in the Warmian-Masurian Voivodeship, near the town of Olsztyn. It has almost 13,000 inhabitants. Due to its interest in the culture and dynamic development of Estonia, the municipality of Dywity is looking for a partner community to establish international contacts in the field of mutual cooperation.

I therefore turn to the Mayor with the intention of initiating a joint action between the Kanepi community and the Dywity community. We are interested in an exchange of experiences in the fields of education, culture, sport, tourism and community development, local contacts and the exchange of children and youth groups.

I believe that working together will be of mutual benefit to our communities.

Please let me know if your local government is interested in a partnership initiative.

A short description of the municipality of Dywity has been attached to this letter.

I am looking forward to hearing from you.

Daniel Zadworny
